

a warm and traditional residential
care home caring for the frail elderly
and people with mild dementia

Care South residential care

We know that selecting a care home can be a difficult decision. The information below aims to help you understand why Templeman House is the right choice for high quality care delivered within a safe and caring environment. You are bound to have questions so please feel free to ring us to discuss any queries you may have or why not pay us a visit and see how Care South can help with your care needs.

Templeman House is a traditional care home located at the end of a cul-de-sac in a residential area of North Bournemouth. We provide a safe and caring environment where residents can live their lives as if in the comfort of their own home, but cared for by dedicated staff, highly trained to nationally recognised standards.

Whether you seek care for the physically frail or those with mild dementia, we have 41 single rooms spread over three floors for men

and women aged 65 and over with low, medium and high care needs. We provide specialist 24 hour personal care for all aspects of daily living.

Following full assessment prior to admission of each individual, lifestyle preferences and activities will be discussed with each resident and their family.

While we have the very best in care and facilities, the key to our residents' happiness is how it's delivered. So, within our "home from home"

environment, we provide individual care with privacy, dignity and respect in an atmosphere of reassurance, warmth and affection.

To deliver this level of care and support we have wonderful staff who are dedicated to the happiness and wellbeing of our residents.

There are many additional facilities and services designed to make life pleasurable and as normal as possible at Templeman House.

We have three ground floor lounges and one main dining room, as well as several other communal areas including a first floor lounge for greater privacy and a lovely enclosed garden, all of which provide areas for peace and reflection, as well as social interaction.

We have an in-house laundry service, hair salon and a chef preparing a wide choice of meals, snacks and drinks as well as catering for special dietary needs. In other areas of

everyday life we provide assistance with dentists, opticians and chiropody.

The Bournemouth Library Service visit regularly and offer residents a range of reading material. The Emmanuel Church at East Howe Lane visit us the first Tuesday of each month to conduct a church service and visits to other local churches can be organised. We have a small trolley shop providing basic essentials and trips to the local shops in Wimborne Road can be arranged.

We know our residents enjoy a wide variety of entertainment and our full calendar of activities is too great to list here! However, it does include bingo and quiz nights, beauty and music sessions, minibus trips, coffee mornings and arts and crafts mornings.

Please come and visit us at Templeman House and experience our unique and caring approach for yourself.

If you are looking for a residential and dementia care home where dignity, respect, laughter and happiness are central to the philosophy of care then call the Home Manager on 01202 537812.
