Christchurch Priory and Christchurch Quay are within easy reach and nearby there are shops, tearooms and a post office.

Residents are encouraged to be themselves and staff are dedicated to making Queensmead feel like home for all.

Whether you are seeking care for a physical difficulty, or those with dementia we have 40 single rooms that are spread over three floors, for men and women aged 65 and over with low, medium or high care needs. We provide specialist 24 hour personal care for all aspects of daily living delivered by staff who are trained to nationally recognised standards.

Following a full assessment prior to admission,

individual lifestyle preferences and activities will be discussed with each resident and their family.

While we offer high quality care and facilities, the key to our residents' happiness is how the care is delivered. So, within our "home from home" environment, we provide individual care with privacy, dignity and respect in a supportive atmosphere.

To deliver this level of care and support our friendly

staff are dedicated to the happiness and wellbeing of our residents.

There are many additional facilities and services designed to make life pleasurable at Queensmead. These include two light and spacious lounges, a conservatory, dining room and a large garden, which provide space for peace and reflection as well as social interaction.

We have an in-house laundry service, visiting

hairdresser and a chef who prepares a choice of meals, snacks and drinks as well as catering for special dietary needs. In other areas of everyday life we provide assistance with dentists, opticians and chiropody.
